

Wednesdays, Woods, and Wine  
Arrival Map for Performers

Please arrive via the main entrance and let the gatehouse know you are performing for Wednesday, Woods, and Wine. You may then drive to the loading area. Take the Main Route East then make the first Right onto our private road by P2 gravel lot (you will see a "Do not enter" sign, please proceed to the end of the road.) You may unload here, I will show you where your band will play (please call me upon arrival, [912-399-4328](tel:912-399-4328)). You will have to move your vehicle to the parking area after you unload.

After the performance, you may move your vehicle back to the loading area. Please exit by turning RIGHT at the end of the road, as the Main Route East is ONE-WAY traffic only.

Also, performers who are not unloading equipment, please park in the main parking lot by the visitor center. Any staff members inside can assist you with getting in touch with me.
